Family Gaming

As the weather gets colder and the cabin fever sets in, we try to find a way to get out and enjoy the company of friends and family. The Rice Lake Library would like to give you that opportunity with a regular family and friends board game meetup. We will be meeting two Tuesdays a month to play board games. These games will range from the most casual party games like Apples to Apples and Codenames to the heavy weight titles like Catan, Pandemic, or Zombicide. You can show up and play one of the games we have available or bring your own to play. Join us, and beat cabin fever with friends, family, and a good game.

Computer Program with Richard Krohn

Richard Krohn has been in the computer business for 30 years plus. This month Richard will be going over information on Apple products leaving time for questions and answers. This is a free opportunity to get your questions answered and learn computer tips you may not already know.

Adult & Teen Winter Reading Program

A Winter's Tale Spin

Perhaps no author is more quoted than William Shakespeare. It has been more than 400 years since his passing and his works are still inspiring. You may be surprised to see how many of today's writers have put their own spin on some of Shakespeare's most beloved storylines. See our suggested reading brochure for a list of books and movies that take inspiration from Shakespeare's work.

Pick up your punch card and receive 2 punches each time you read or watch a Shakespeare inspired novel or movie and fill in a review sheet. Receive 1 punch for reviews on any other reading or movies.
Receive 2 punches for each program you attend at the RLPL.
