Music & Rhyme Storytime

Each first and third Thursday.

Focusing on movement, rhythm and building early literacy skills.

Lego Club

Lego Club meets each month. We invite kids to come and make a Lego creation that goes along with a theme that's chosen for the month or create your own idea.

Kids Create

Kids Create meets once a month during the school year to give kids an opportunity to enjoy learning about art. For November's project we'll learn how to create figures in motion on foil in the style of famous artist, Keith Haring! Make them dance, make them jump, and most importantly, make them colorful!

Drive In Movie

Kids create and decorate your own car from boxes we'll provide. We'll take our cars to our indoor drive in movie theater where we'll enjoy hotdogs, popcorn and drinks while we view a movie in the comfort of our own car.

Teen Candy Apple Contest

Teens are invited to come share their candy apple making skills. Each participants will make 3 candy apple creations. Once our assembled apples are completed the group will taste and vote on their favorite taste combination.

We'll also construct some ornaments to donate to those in need.

Make & Take

Terri gives instructions to show participants how to put together a great greeting card design. All supplies are provided.

Computer 101

Richard has been in the computer business for over 30 years. He meets with people twice each month to give help with questions or problems they might be having.

Monday, November 6 at 1:00pm questions and answers session;

Thursday, November 16 at 5:00pm BEGINNING computer help. Richard will go through some steps on very basic computer skills.

Senior Luncheon

Our House Senior Living Center and the library are excited to host a monthly Senior Luncheon.

Seniors of our community are invited to enjoy lunch and not only be with friends but meet new ones. Bring a friend!

Junk Journal Club

Meeting the second Wednesday of each month at 10:00am - Junk Journal Show & Tell. Bring your junk journals or regular journals and your passion for creating and writing.

Holiday Parade

Come see the library in the Rice Lake Main Street Association's Holiday Parade.

Yu-Gi-Oh

Players of all ages and skill levels can compete together in tournaments to make new friends, see new cards and show off their best strategies. There's no better way to experience the Yu-Gi-Oh! TRADING CARD GAME than to compete in events and Duel with your friends!

Pageturners

Pageturners book club meets for book discussions once a month. November's book discussion will be on The Secret Chord by Geraldine Brooks.

Origami

Origami meets each month and introduces participants to the art. Dave shares ideas and tips along with suggestions for tools and papers. Everyone leaves with a completed project and more knowledge about this art.

Coloring Club

Our day for our coloring group has changed to Thursday. Coloring sheets and tools are provided each month. Come to color, share your completed works, talk about techniques and tools you use.

Simply Knitting & Crochet

Simply Knitting meets twice monthly and participants spend time sharing tips, getting help with projects, and learning to knit or crochet. Some supplies are available for beginners or you are welcome to bring your own.

Afternoon Movie

Showing movies for your viewing enjoyment. Once each month the library will pick a new release or classic movie to present at our afternoon movie event. This month we'll be viewing THE HERO with actor Sam Elliot. Sam plays and over-the-hill movie star who, after being diagnosed with cancer, deals with lifetime regrets and mending fences with those he's hurt. Invite a friend to enjoy a movie and popcorn.

FREE Hearing Screening

The library and Miracle Ear are happy to be able to work together to offer free, no obligation hearing tests. There won't be appointments, so the screenings will be on a first come, first service basis.
